

**JUST FOR THE FUN OF IT!**  
**June is Recreation Month**

## How To Get Your School Involved

It is time to Celebrate June is Recreation Month and it may be hard coming up with ideas to get your school started in the celebration. Here are some ideas to help you promote June is Recreation Month.

### As a school you can:

- ❖ Hold an assembly and have the students participate in the signing of the proclamation
- ❖ Put June is Recreation Month Posters around the school
- ❖ Have the theme “Just for the Fun of It” for your sports day or sports week
- ❖ Participate in the June is Recreation Month Drawing contest
- ❖ Every Friday Morning have the school participate in a exercise/ stretching routine in their class rooms
- ❖ Have a copy of the Get Active calendar in each classroom so children have an idea of what type of things they can do
- ❖ Have an environment day. Have the classes plant a tree on school grounds and also have them clean up the play ground area
- ❖ Have an activity challenge between the classes within the school
