

## ***HELPFUL HINTS***

Here are a few helpful hints to make your June is Recreation Month Campaign a success in your community or neighborhood.

- ✓ Contact local businesses or organizations to sponsor an event or give donations for prizes during an upcoming event or activity.
- ✓ Encourage businesses in your area to have staff available to volunteer in a special event in your community.
- ✓ If you plan on having an outdoor event, please have a backup facility that may be used if there is poor weather.
- ✓ Promote your event using Public Service Announcements and the June is Recreation Month Website, so people from surrounding communities are aware of activities taking place in your community.
- ✓ Use various resources within the toolkit, and make them your own. Put your own twist on certain activities and mold them depending upon your location and needs.
- ✓ Visit the RNL website for downloads of the toolkit and other resources, or contact the RNL office about any information regarding June is Recreation Month.
- ✓ **Most of all, remember to have FUN!!!!**
