Risk Management Logbooks

Prices Effective: May 1st, 2019

Descriptions and Prices

Arena Inspection & Maintenance Logbook

Used as a standard record keeping system for arena staff to record daily, weekly, and monthly checklist, inventory list, and as a general maintenance log for repairs and improvements that have been completed. Each checklist in this logbook has space available for customers to customize each list for additional items that the customer would like inspected on a regular basis. This document will act as an excellent management tool for any reasonable risk management program. *Cost: \$100.000 for members / 140.00 for non-members*

Pool Inspection and Maintenance Logbook

Used for all types of aquatic facilities, season, outdoors and year round, on a daily basis. This logbook allows aquatic personnel to accurately record information pertaining to repairs, equipment and the facility, as well as certain chemical records that are pertinent to the operation of a pool(s). It also covers such areas as regular day-to-day checklists for areas such as the lobby, change rooms, and the washrooms, etc. This logbook should be used as a standard record keeping system for aquatic staff to record daily checklist, inventory list and as a general maintenance log for repairs and improvements that have been completed. Each checklist in this logbook has space available for customers to customize each list for additional items that the customer would like inspected on a regular basis. This document will act as an excellent management tool for any reasonable risk management program. *Cost: \$90.00 for members / \$130.00 for non-members*

Playground and Sport Court Inspection and Maintenance Logbook

Developed to ensure accurate record keeping for playgrounds and sport courts. Each logbook allows for weekly playground inspections and has sections for weekly sport court inspections. For larger municipalities with multiple playgrounds and sport courts, this logbook has been designed so that Avery Labels can be used on each form for ease of use. *Cost: \$70.00 for members / \$110.00 for non-members*

Sport Field Inspection & Maintenance Logbook

Ensures accurate record keeping for sports fields. This logbook allows for weekly inspections of sports fields and also includes a maintenance report form section for ease of use. *Cost: \$70.00 for members / \$110.00 for non-members*

Skateboard Park Inspection & Maintenance Logbook

Ensures that skateboard parks are regularly inspected and maintained. Each logbook allows enough inspection forms for daily inspections of your facility for up to four months. *Cost: \$50.00 for members / \$90.00 for non-members*

Trail Maintenance Logbook

This logbook is meant to be used as a standard record keeping system for your community trail network, a maintenance log for operations and repairs and should be used, at minimum, on a weekly basis. *Cost: \$40.00 for members / 80.00 for non-members*
